

Calvert Hospice Festival of Wreaths

Wreath Guidelines

Thank you for your interest in creating a handcrafted wreath for our 6th Annual Calvert Hospice Festival of Wreaths! The Festival will be held on Saturday, November 20th at Linden, a historical landmark and home of the Calvert County Historical Society, located at 70 Church Street in Prince Frederick.

Wreaths will be displayed for purchase for the entire day and will be available for pickup after the conclusion of the Festival that afternoon. Calvert Hospice will provide signage for each donated wreath. Display space is limited so we encourage you to register early!

All proceeds go to support Calvert Hospice. We greatly appreciate your generous support and participation in our holiday event!

Guidelines

- ◇ Wreaths may be no larger than 30" in diameter.
- ◇ Wreaths are not limited to holiday themes! Many of our most popular wreaths in previous years were designed to be displayed year round.
- ◇ Please avoid live greenery or materials that will limit the 'shelf life' of the wreath.
- ◇ If lighting your wreath, please use battery-operated lights only.
- ◇ Registration to donate a wreath closes on Monday, November 8th.

Wreaths can be dropped off Tuesday, Nov. 9th through Friday, Nov. 12th, from 9am-5pm at Calvert Hospice. Please use our entrance located at 234 Merrimac Court in Prince Frederick.

Our offices are located next to the Prince Frederick post office.

Any questions please contact Calvert Hospice
